Tailored Training Solutions to Suit
Your Organisation

About Us

Facilitatrix provides a range of specialist services for vulnerable children and adults, including the aged, people with disabilities and/or mental health issues.

We are passionate about building the capacity of the sector through consultancy and training. We recognise the importance of providing cost effective staff development programs during a time of significant reform and rapid change.

Our customised in-house training can be adapted to suit the needs of each agency and we ensure that training opportunities for your staff are maximised.

Customised Corporate Training

Our facilitators are industry professionals with many years' experience working in the disability and aged care sectors, with particular expertise in safeguarding, human rights and adult guardianship and administration having worked as guardians within this system in WA for many years.

Examples of training we offer include:

- Guardianship and Administration in Western Australia
- Medical Consent – what all services providers need to know
- Navigating the Criminal Justice System – A Guide to Working with People with Cognitive Impairment
- Safeguarding Series
 - ✓ Managing conflict
 - ✓ Financial safeguarding
 - ✓ Health & well-being
 - ✓ Human rights & decision-making
 - ✓ Identifying & managing abuse
 - ✓ Identifying & eliminating restrictive practices

Consultancy Services

Our professional consultancy services include:

- Independent file audit
- Independent service review
- Independent investigation of complaints or critical incidents
- Independent Assessment and Plan to Reduce Restrictive Practices
- Independent assessment of compliance with legislative and contractual obligations
- Independent review of policies and procedures
- Behaviour Support Planning
- Individualised Person Centred Planning
- Customised training can be provided for staff if areas of need are identified throughout the consultancy process
- Business Mentoring

Our consultancy services include a comprehensive written report, identifying any issues of concern and making recommendations for continuous service improvement.
